

A New City, A New Beginning: BBLTJ Arrives in Mymensingh

February 15, 2026

For the first time, BYLC organized the Building Bridges through Leadership Training Junior (BBLTJ) 53 program in Mymensingh and successfully completed the program with 96 graduates. Students participated in interactive sessions where they strengthened their public speaking skills and engaged actively in classroom activities. As part of the program, nine teams implemented Leadership in Action (LIA) projects focusing on topics such as climate change, gender equality, and health and hygiene. Through these initiatives, the projects collectively served 2,399 beneficiaries and the students contributed 1,491 hours of work.
