To support the launch of the BBLTJ 53 program in Mymensingh, BYLC signed Memorandum of Understanding with four institutions representing Bangla, English, and Madrasa mediums. The partner institutions included Vidyamayee Government Girls' High School, Afroz Khan Model School, Radiant International School, and Al-Arabia Islamia Dakhil Madrasah. These institutions supported the program by allowing BYLC to conduct workshops and engage with students and parents. With their collaboration, BYLC successfully registered 99 participants for the program.
